Information

I am a graphic designer and artist who is currently in F.I.R.S.T. institute from 2021-2022. I have expirence in caretaking jobs such as a primary care assisstant, a babysitter and have worked on art commissions which helped me work with on my skills to become responsible with the tasks I needed to do and grow as a designer.

Summary of Qualifications

- •I am creative because I have a imaginative mind which helps me apply my thoughts on a platform whether it is digital or on paper.
- •I consider myself being perservering as I am persistent on working foward to reach my goal despite the obsticles that are ahead.
- •I see myself of being analytical because I can review complex problems and figure out different solution to solve the issue.
- •I'm communicative whether it is on a team or with the art director to discuss different ways to work on a project or the solutions to work around a problem.
